

Space@TheStade: Marvellous Moon

Feedback and images

Date: Saturday 15th December 2018

Venue: The Stade, Hastings Old Town

Organised and hosted by Creative Space Science CIC

“Totally awesome and exciting. Fantastic to talk to people in the know and ask questions. Will definitely come to the next event!”

from the Feedback Book

“We had a lovely time finding out about the Moon. Especially liked the diffraction grating specs.”

from the Feedback Book

“We had a really enjoyable afternoon. There was so much to do and the kids (5 and 8 yrs) got very involved for hours! We adults learned loads too.”

from the Feedback Book

“One of the youngsters from the Battle Cosmics attended this event and thought it was brilliant, despite the rain! Well done Meanie Davies. They also enjoyed Will’s talk.”
